

Sample – initial sign-up request via email

As the school year unrolls and the Scouting program year starts, we would like to remind you to participate in the annual Scouting for Food Community Good Turn scheduled for October 14th and 21st.

To sign up, please visit our website at www.baylakesbsa.org to register your unit for this event and also to order your bags. Please make sure you sign up your unit by October 7th.

Also on the website are materials to assist with this year's effort. They include a Lesson Plan that we hope can become a part of your weekly Den and Troop meetings (please share these as appropriate with your other leaders), as well as a discussion guide to help you in contacting local grocery stores and your Chartered Partner to have them join in our drive.

Once signed up, you will receive your confirmation with local Scouting for Food contacts. Please connect with them in regards additional promotional and marketing materials.

Thanks in advance for your participation in the Scouting for Food community service project!
