

What is Wood Badge

Wood badge is the premier adult leadership training course in Scouting. It teaches the essential skills of Leadership, Management, and Team Building. You will learn what makes leadership work and how to make it work for you and your unit. The skills taught are applicable to every leader and provide a common foundation for Cub Scout, Boy Scout and Venturing programs.

The hands-on, two weekend course is fun-filled, rapid-paced, lecture-practice environment. Practical exercises, in both indoor and outdoor settings, are a core component.
