

CUB SCOUT RECRUITER PATCH

New this year, we are offering the youth Cub Scout recruiter patch! We know that many boys join Scouting because someone asked them to join, or told them how much fun they were having.

We want to recognize our Cub Scouts who make any effort to help recruit a non-Cub Scout into Scouting. This can range from simply talking to someone about the program to getting them to join. These are the only requirements!

To redeem your patches, simply tell your District Executive how many patches you need when you turn in your applications after roundups in September.

Additional questions? Contact Carl at Carl.Bobis@scouting.org.
